

# Ann Arbor Summer Festival

## Recognition and Salute

July 24, 1984

Tonight marks the Grand Finale of the first Ann Arbor Summer Festival. This has been truly a community-wide activity of which we can all be proud.

Cheers, applause and gratitude go to those whose support, enthusiasm, dedication and hard work made the long-awaited première season of this festival a reality — to them, and to the wonderfully receptive audiences, we say *Merci, merci beaucoup*. . .
